COMPUTER HISTORY FORUM
MELBOURNE MUSEUM

INVITATION TO PARTICIPATE

On behalf of Department of Computing & Information Systems at The University of Melbourne, Melbourne Museum and the Pearcey Foundation, we invite you to participate in the upcoming Computer History Forum, the culmination of a week of activities to mark 60 Years of Computing in Victoria.

Celebrate how computing has transformed the world we live, work and play in. Discover how IT has emerged from being a sub-discipline of mathematics and physics to a technology that is transforming our society and virtually every branch of human endeavour.

10am-4pm Friday 17 June

Melbourne Museum, 11 Nicholson Street, Carlton
the permanent home of Australia's first computer CSIRAC
which moved to Melbourne in 1956.

RSVP by Friday 3 June to
